EXPERIENCE

University of North Dakota
Graphic Designer
2021-Present

Create and produce designs for print and digital communications within brand standards while pushing best marketing practices, collaborate with team members to brainstorm projects and participate in campus-wide marketing and communication activities.

Cornerstone Copy Center
Web to Print Manager
2019-2021

Built and ran online storefront which entailed web design, user/customer experience, product mock-up creation, light coding, social media marketing and project managing print orders through production.

Sailer's Greenhouse
Assistant Manager
2002-2019

Along with helping customers with plant selection my duties were designing branded business essentials, creation of visual displays and setup/assisting in running of workshops/events.

O'Cheeze Food Truck
Manager
2015-2017

Managed two food trucks in Minneapolis where my main responsibilities were leading staff, assisting customers, creating/updating online social media accounts and driving around an eleven foot food truck safely.
